PARISH NURSE NEWS

Dr. Fred Lovrien: Understanding cholesterol health and disease.

Our next Health Forum is today in which Dr Fred Lovrien will be speaking on the topic of cholesterol. If you have your cholesterol values and need help in understanding or would like to learn how to change your values, plan on attending this health forum in the RTD 10 to 11am.

What are the types of cholesterol?

What are LDL, HDL, and triglycerides?

What are bad or good ratios?

Why LDL is called the bad cholesterol?

Get My People Going!!

Moses was a great walker, but did you know that some of the most well-known people of faith were also similarly inclined? People like Mother Teresa, St. Francis of Assisi, Dorothy Day, Rev. Dr. Martin Luther King, Jr., and Professor Dietrich Bonhoeffer all included walking in their day as a time to think and pray. It is good for your mind, your body, and your soul. Walk with a friend, and it is good for your community! Don't forget to track your walking time on the "Get My People GOING!!" log sheet.

Berries Are Good for your Heart and Brain

Eating foods high in antioxidants - such as blueberries, blackberries, cranberries, purple grapes, strawberries and the nut, walnuts – slow the aging process, improves brain function, and helps lower your risk of cardiovascular disease.

Blood Pressures in the Fellowship Hall Today 8:45 to 10:45 am

The Hospitality Center for FUMC is in need of additional people to help staff it during Sunday mornings. Do you have the gift of hospitality? A welcoming smile, pleasant personality that shines with the joy of having Jesus in your life? We need volunteers to help welcome people to Sunday morning worship. It is a great place for male or female, new members and those who have been here for many years, and young adults and mature members and those in between. Hours and Sundays are somewhat flexible at this time, depending upon how many people sign up to assist the current group of volunteers. Please call the church office, 336-3652 if you have an interest.

How great it is to be called the children of God!!!
